

**DIABETES SCREENING:  
Medicare Benefits for Better Health**

# “Could I have diabetes and not know it?”

If you are 65 or older, check off the boxes if you have any of the following:

- Family history of diabetes
- High blood pressure
- High cholesterol
- Overweight
- History of diabetes during pregnancy

If you marked any of the boxes above, you are eligible for a free test to check you for diabetes, covered by Medicare. Ask your doctor to check you for diabetes, and do it soon!
